TESTIMONIAL

Tom Roberts of Connection Electrical and Data has completed multiple jobs for our company.

From providing temporary power to our construction sites, through to installation of lighting, switchboards, fans, alarms, ovens and cooktops, phone and data points – Tom displays a high level of service in everything he does.

He is professional, always on time, and we consider him a great asset to our company.

We would have no hesitation in recommending him.

With thanks and kind regards,

Aaron Peel
