

*Testimonial for Tom Roberts  
Connection Electrical & Data*

22<sup>nd</sup> March 2018

As the Director of Platinum Construction & Design, I have worked closely with Tom on various projects over the years.

Tom has completed work on many Luxury Homes, Commercial Fit-Outs and Renovations with my Company.

He is proficient in his trade, uses the highest quality materials, and ensures the completed product is above standard.

His company completes a wide range of services and his professional yet easy-going nature makes him a pleasure to deal with.

Tom is an asset to our Industry and I highly recommend Connection Electrical & Data for any project you may have.

Yours Sincerely,

*Aaron Peel*
